<sup>\*:</sup> Per Capita Money Income does not include in-kind income payments and thus is lower than personal income measures that include non-money types of income such as the value associated with the use of a company car, transportation subsidies or housing.

Source: Claritas (800) 234-5973

<sup>\*\*:</sup> Median Family Income is more commonly called Median Family Household Income. Median family household income is based on 2 or more related people living in one housing unit. The total income for that unit includes the income from any non-related people in the same unit.
